

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, January 25, 1967

The regular meeting of the Air Pollution Board was held Wednesday evening, January 25, 1967, at 7:30 p.m., in Room G-30, City Hall.

Present: Board Members Dodson, Kloeckner, Oeming, Ray, Ruth, Tableman and Tamer—7.

Absent: Board Member Bintz—1.

Guest: Mr. Swift.

The meeting was called to order by Chairman Tableman. The secretary announced the presence of a quorum. It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that the minutes of the December meeting be approved as printed.

Motion carried.

Mr. Tableman noted receipt of and read a letter from Centrifuse, Inc., regarding progress toward a solution of their air pollution problem. The letter indicated that they are presently evaluating three proposals, each of which incorporates a different principle. Mr. Pesterfield reported that complaints continue to be numerous and that he had contacted Mr. Ellsworth regarding them. After a discussion, the Board requested that the engineer make frequent inspections at the plant during the next month regarding these complaints and report to the Board at the next meeting.

Mr. Pesterfield reported that the City Police and Fire departments had informed him that they will handle the problem at Simon Iron and Steel and recommended that we close the complaint. So ordered.

A communication from Granger Construction Company requested approval of a refuse burner for their sanitary landfill project. Mr. Pesterfield recommended that the Board deny approval of the proposed burner. It was moved by Mr. Oeming, seconded by Mr. Tamer, that the Engineer contact the company in conjunction with the

County Health Department to give assistance.

The Board has received a petition referred by the City Council regarding a problem at Capital Plastics. Mr. Pesterfield will investigate.

A communication has been received from Mr. Steadman of Liquid Glaze indicating that they have treated the parking lot in question and propose to add hard surfacing in the near future. Mr. Pesterfield recommends closing this complaint. So ordered.

In his letter, Mr. Steadman also entered a complaint regarding a trash burner behind the Sportsman's Bar or on the next lot which was smoking. Mr. Pesterfield will investigate.

The engineer reported that he had been contacted by the City Building Department regarding approval of a backyard smokehouse. Mr. Pesterfield told them that the Board had no objection unless the amount of smoke became a problem.

The next meeting will be held Wednesday evening, February 22, 1967, at 7:30 p.m., in Room G-30, City Hall.

It was moved by Mr. Oeming, seconded by Mr. Kloeckner, that the meeting be adjourned.

Motion carried.

The meeting was adjourned at 8:30 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

Resolution No. 56 was introduced as follows:

RESOLUTION NO. 56

BE IT RESOLVED BY THE LANSING HOUSING COMMISSION AS FOLLOWS:

The attached leases between the City of Lansing, acting by and through the Lansing Housing Commission and:

J. Lee and Peggy J. Hamrick for the property located at 728 W. Lenawee (6 apartment building) and

Glenn Peal for the property located at 805 N. Logan Street (3 bedroom house) is hereby approved and accepted both as to form and substance and the President or Vice President and Director of the Lansing Housing Commission are hereby authorized and directed to execute said Leases on behalf of the Lansing Housing Commission.

It was moved by Commissioner Owen, supported by Commissioner Clapp that the above Resolution be approved and upon roll call the Ayes and Nays were as follows:

Ayes: Commissioners Clapp, Oliver, Owen, and Patterson—4.

Nays: None.

The President thereupon declared the motion carried and the Resolution adopted.

The following Resolution was adopted:

RESOLUTION NO. 57

BE IT RESOLVED BY THE LANSING HOUSING COMMISSION AS FOLLOWS:

That the attached form of Lease between the State of Michigan, as Lessor, and the City of Lansing, acting by and through the Lansing Housing Commission, as Lessee, is hereby approved.

It was moved by Commissioner Patterson, supported by Commissioner Owen that the above Resolution be approved and upon roll call, the Ayes and Nays were as follows:

Ayes: Commissioner Clapp, Oliver, Owen, Patterson—4.

Nays: None.

The President thereupon declared the motion carried and the above Resolution adopted.

The Meeting was adjourned at 3:00 p.m.

Respectfully submitted,

WILLIAM MATEER,
Secretary.

OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, March 1, 1967

An informal meeting of the Air Pollution Board was held Wednesday evening, March 1, 1967, at 7:30 p.m., in Room G-30, City Hall.

Present: Board Members Dodson, Kloeckner, Ray and Tableman—4.

Absent: Board Members Oeming, Ruth and Tamer—3.

Guests: Mr. Swift and Mr. Ceasar.

Since we did not have a quorum, Mr. Tableman announced that we would meet informally and move to approve actions at the next meeting.

Mr. Pesterfield reported on his investigations at Centrifuse, Inc., over the past month. There was a discussion. Mr. Ceasar

spoke relative to the problem. The Board directed Mr. Tableman to request a report of progress for our next meeting. The Board also directed the Engineer to contact plant management to determine whether they are using present equipment.

The Engineer reported that he had contacted city, county and state health officials regarding Granger Construction. They have not been granted a sanitary landfill permit. Mr. Pesterfield then informed the company that he would be happy to discuss approved waste disposal equipment when the question of landfill permit had been settled. Mr. Tableman suggested that we clear our records by sending a letter confirming Mr. Pesterfield's conversation.

The complaint regarding Capital Plastics

is pending a visit in cooperation with the Michigan Department of Health.

Mr. Pesterfield reports he can find no cause for complaint regarding Sportsman's Bar and recommends that the complaint be closed. So ordered.

The Board directed Mr. Tableman to send a letter of appreciation to Mrs. Bintz in recognition of Mr. Bintz's many contributions to the Board.

Mr. Ceasar spoke regarding disposal of

urban renewal rubbish. Mr. Pesterfield will investigate.

The next meeting will be held March 29, 1967, at 7:30 p.m., in Room G-30, City Hall.

The informal meeting closed at 8:20 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

OFFICIAL PROCEEDINGS OF THE PLANNING BOARD OF THE CITY OF LANSING

Proceedings, March 9, 1967

Meeting was called to order by Vice Chairman, Ralph Gunthrope at 7:30 p.m.

Members present: George Denfield, Larry Kain, William Miles, Ralph Gunthrope, John Brady and G. J. Turney—6.

Inspector: Leo Fox.

Members absent: George Wyllie, Councilman, Glen Dean—2.

Minutes of the last meeting was approved as read.

Discussion regarding the use of service weight "S.V." cast iron soil pipe.

Motion by Mr. Gunthrope. The Plumbing Board to amend the City Plumbing Code, Article III, Section 10, paragraph A. to permit the use of service weight cast iron soil pipe in conformity with the State Plumbing Code.

Seconded by Mr. Denfield.

Motion carried.

Motion by Mr. Kain that the effective date be May 1st.

Seconded by Mr. Brady.

Motion carried.

A discussion regarding the use of no hub cast iron soil pipe.

The board discussed the need of a permit to install or replace a water heater, so that all installations could be checked for safety standards. Mr. Fox was to obtain copies of regulations from other cities and give a report to the next meeting.

Meeting adjourned at 9 p.m.

Respectfully submitted,
G. J. TURNEY, Secretary.

T/C

That the attached claims be allowed and the City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant, in the amount of \$118,677.23.

Adopted by the following vote:

Unanimously.

Council adjourned at 9:20 P.M.

THEO FULTON,
City Clerk.

Lansing, Michigan
April 10, 1967

F/B

OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, March 29, 1967

The regular meeting of the Air Pollution Board was held Wednesday evening, March 29, 1967, at 7:30 p.m., in Room C-30, City Hall.

Present: Board Members Dodson, Oeming, Ray, Ruth, Tableman and Tamer—6.

Absent: Board Members Kloeckner—1.

Guests: Mr. Ceasar, Mr. Swift and Mr. VanSyckle.

The meeting was called to order by Chairman Tableman. The secretary announced the presence of a quorum. It was moved by Mr. Ray, seconded by Mr. Oeming, that the actions and minutes of the March 1 meeting be approved as printed and distributed. Motion carried.

Mr. Tableman read a communication from Centrifuse, Inc., regarding the status of their air pollution control program. Mr. Pesterfield reported that he had visited the area a number of times during the month and found them almost continuously in violation. The company reports that their afterburners are too small. A discussion followed. Mr. Pesterfield was instructed to obtain production and gas consumption figures and report at the next meeting. It was moved by Mr. Tamer, seconded by Mr. Oeming, that we acknowledge receipt of the progress report from Centrifuse, Inc., and indicate that in accordance with their schedule, we expect them to be able to present firm bid proposals for solution of their problem at our June meeting. Motion carried.

Mr. Pesterfield reported that he has discussed the problem at Davison Chemical

with equipment suppliers. The system was designed in Baltimore and has not been as successful as hoped. The supplier is installing an experimental tank and has promised that they will not leave the problem until the equipment works properly. Mr. Pesterfield recommends continuing to hold in abeyance while work on it.

Mr. Bloomfield of the Michigan Department of Health and Mr. Pesterfield are waiting until warmer weather to survey Capitol Plastics since that is the time the problem is most obvious.

Mr. Pesterfield reported that no further communication has been received from Granger Construction but he has received two additional requests for installation of "TeePee" burners. He has denied permission.

Mr. Albers, Fire Marshal, informed Mr. Pesterfield that he has denied permission to burn urban renewal refuse within the city limits. Mr. Tableman will contact the Urban Renewal Director.

Mr. Tamer showed colored slides he had taken of the problem at Centrifuse, Inc.

The next meeting will be held April 26, 1967, at 7:30 p.m., in Room 419, City Hall.

It was moved by Mr. Ruth that the meeting be adjourned. So ordered at 9:05 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

OFFICIAL PROCEEDINGS OF AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, April 26, 1967

The regular meeting of the Air Pollution Board was held Wednesday evening, April 26, 1967, at 7:30 p.m., in Room 419, City Hall.

Present: Board Members Dodson, Kloeckner, Ray, Ruth Tableman and Tamer—6.

Absent: Board Member Oeming—1.

Guest: Mr. Swift.

The meeting was called to order by Chairman Tableman. The secretary announced the presence of a quorum. It was moved by Mr. Tamer, seconded by Mr. Kloeckner, that minutes of the March meeting be approved as printed.

Motion carried.

The first order of business was Centrifuse, Inc. Mr. Pesterfield reported that the company had given him some information regarding production costs but refused to give any additional information. A discussion of the problem followed. It was suggested that several members of the Board meet with Mr. Gerstenmaier prior to the June meeting. Board members Ray and Tamer indicated that they would be able to attend with Mr. Tableman.

Receipt of a petition regarding Capitol Plastics was acknowledged. Mr. Pesterfield reported that he had visited the plant fourteen times during the past month. He can find no justification for the air pollution complaint. It is not heavy industry and they have control equipment. He recommends closing the complaint. It was moved by Mr. Ray, seconded by Mr. Tamer, that the Board concur with the opinion of

the engineer and that appropriate reports be made.

Motion carried.

The Board acknowledged receipt of a complaint regarding cement dust on the street approaching Martin Block Company. Mr. Pesterfield will investigate.

Mr. Tableman announced that a hearing regarding proposed State Air Pollution Rules will take place on May 8, 1967, in the House of Representative Chambers.

The Chairman also took note of a newspaper clipping regarding installation of additional control equipment at Oldsmobile.

The next meeting will be held May 31, 1967, at 7:30 p.m., in ROOM 419, City Hall.

It was moved by Mr. Dodson that the meeting be adjourned. So ordered by the Chairman.

The meeting adjourned at 8:20 p.m.

Respectfully submitted,
MARVIN TABLEMAN,
Chairman,
NORMA DONOVAN,
Secretary.

RESOLUTIONS

By Comm. Kelly: On behalf of the members of this Board I wish to express our sincere appreciation for the excellent co-operation shown us by both the Chief of Police and the Chief of the Fire Department, and that we regret very much that we will not be working with both these men, and the members of their respective departments any longer.

Supported by Comm. Munyon.

Carried.

The motion was made by Comm. Schmidt that the meeting be adjourned.

Supported by Comm. Munyon.

Carried.

Respectfully submitted,

YVONNE BROWN,
Secretary of the Board.

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, June 28, 1967

The regular meeting of the Air Pollution Board was held Wednesday evening, June 28, 1967, at 7:30 p.m., in Room G-30, City Hall.

Present: Board Members Bock, Dodson, Kloeckner, Ray, Ruth and Tableman—6.

Absent: Board Members Oeming and Tamer—2.

Guests: Messrs. Don Shuster and E. Ellsworth, Motor Wheel; E. Ellsworth, Jr.; Mr. Collins Thornton; Mr. Curt Haynes, State Journal; Mr. Ivan Swift; and Mr. C. A. Zapata.

The meeting was called to order by the Chairman. The secretary announced the presence of a quorum. It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that the minutes of the April meeting be approved as printed. Motion carried.

The first order of business was Centrifuse, Inc. Mr. Ellsworth reported that they expect to have all bids by July 15, 1967. All bidders were asked to bid on the same type of plan to facilitate evaluation. They have engaged an engineer to evaluate bids. A discussion followed. It was moved by Mr. Ray, seconded by Mr. Dodson, that we acknowledge receipt of the report placing the company substantially on schedule and request that they report further progress at our next meeting. Motion carried.

Mr. Pesterfield reported that his investigation of the complaint regarding cement dust showed that the cement trucks were covered and moving slowly enough to prevent losing their load. He feels that trucks carrying excavation dirt present the prob-

lem but there is no ordinance requiring covering for this purpose. The engineer recommends that we close this complaint. It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that the Board concur with the engineer's recommendation and notify the City Council to that effect with a copy to Mr. Darwin. Motion carried.

Mr. Tableman reported on a meeting held at the Michigan Department of Public Health regarding use of TeePee burners by Motor Wheel Corporation. The Michigan Department of Public Health will not presently license use of these incinerators and expect to close down any already in operation by May, 1968, under Solid Waste Disposal Act 87. A discussion of the solid waste disposal problem followed.

Mrs. Bock presented a letter she had received regarding trash pickup. The Board acknowledged receipt of the communication and referred it to the Public Service Board.

It was moved by Mr. Dodson, seconded by Mr. Ruth, that Mr. Pesterfield be reappointed as Air Pollution Engineer for 1967-1968 at the stipend stipulated in the budget. Motion carried.

It was moved by Mr. Kloeckner, seconded by Mr. Ruth, that Norma Donovan be reappointed as Secretary for 1967-1968 at the stipend stipulated in the budget. Motion carried.

Mr. Tableman called for election of officers for the coming year. Mr. Kloeckner nominated Marvin Tableman as Chairman. Mr. Ruth seconded. It was moved by Mr. Ruth, seconded by Mr. Ray, that nominations be closed. Motion carried. The secretary was instructed to cast a unanimous ballot for Mr. Tableman.

Nominations were opened for Vice-Chairman. Mr. Dodson nominated Paul Ruth as Vice-Chairman for the coming year. It was moved by Mr. Kloeckner, seconded by Mrs. Bock, that nominations be closed. Motion carried. The secretary was instructed to cast a unanimous ballot for Mr. Ruth.

Mr. Tableman noted that this meeting brought to an end Loring Oeming's term of office. It was moved by Mr. Dodson, seconded by Mr. Ray, that the Board acknowledge and thank Mr. Oeming for his years of devoted service to the Board. Motion carried.

Mr. Zapata requested information about the long range plans of this Board. Mr. Tableman discussed the Board's work.

Mr. Ruth asked that the Board take note of Mr. Tableman's able handling of the complaints concerning Centrifuse, Inc.

The next meeting will be held July 26, 1967, at 7:30 p.m., Room G-30, City Hall.

It was moved by Mr. Kloeckner that the meeting be adjourned. So ordered. The meeting was adjourned at 8:50 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

TC

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, July 26, 1967

The Air Pollution Board held its regular meeting July 26, 1967, at 7:30 p.m., Room G-30, City Hall.

Present: Board Members Bock, Dodson, Kloeckner, Ray, Tableman, Tamer and Zapata—7.

Absent: Board Member Ruth—1.

Guests: Messrs. Ellsworth, Engle and Martin, Centrifuse, Inc., and Mr. Swift.

The meeting was called to order by Chairman Tableman. It was moved by Mr. Dodson, seconded by Mr. Tamer, that minutes of the June meeting be approved as printed.

Motion carried.

Mr. Pesterfield reported receipt of two complaints concerning Davison Chemical. The plant has been down since early in June. They are installing new equipment and have asked Mr. Pesterfield to view it in operation August 15. Mr. Pesterfield recommends that we hold the complaints in abeyance pending his next inspection. It was moved by Mr. Tamer, Seconded by Mr. Kloeckner, that the Board concur in the recommendation of the engineer.

Motion carried.

Mr. Ellsworth reported that Centrifuse, Inc. has received two bids on equipment. A third is due July 28 and the fourth August 7. Mr. Ellsworth felt that they would have the final answer no later than the September meeting. It was moved by Mr. Kloeckner, seconded by Mr. Tamer, that the Board request a report at the August meeting.

Motion carried.

Mr. Pesterfield reported a complaint against Rose-Hill Corporation regarding dust from a construction area. He investigated and requested them to chloride the area if construction is not started promptly. Mr. Pesterfield recommends that this complaint be carried until the next meeting.

Mr. Ray reported a call regarding burning near Motor Wheel. Mr. Ray referred the complaint to the proper authorities.

Mr. Tableman on recent developments at Fisher Body. Some citizens are looking toward legal action against General Motors. Mr. Pesterfield reported on restrictions imposed by Los Angeles regarding a similar situation.

The next meeting will be held Wednesday evening, August 30, 1967, at 7:30 p.m., in Room G-30, City Hall.

It was moved by Mr. Tamer, seconded by Mr. Kloeckner, that the meeting be adjourned.

So ordered.

The meeting adjourned at 8:15 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

T/C

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, August 30, 1967

The regular meeting of the Air Pollution Board was held August 30, 1967, at 7:30 P.M., in Room G-30, City Hall.

Present: Board Members Bock, Dodson, Ray, Tamer and Zapata—5.

Absent: Board Members Kloeckner, Ruth and Tableman—3.

Guests: Mr. Ellsworth and Mr. Engle representing Centrifuse, Inc.

The meeting was opened when the Secretary announced the presence of a quorum and called for election of a Temporary Chairman. Mr. Tamer nominated Mr. Dodson; Mr. Ray moved, Mr. Tamer seconded, that nominations be closed and Mr. Dodson declared elected.

Motion carried.

Mr. Dodson assumed Chairmanship and called for additions or corrections to the July minutes. It was moved by Mr. Ray, seconded by Mr. Tamer, that minutes of the July meeting be approved as distributed.

Motion carried.

Mr. Ellsworth, reporting for Centrifuse, Inc., indicated that they have received three bids and expect a fourth within a few days. He presented drawings of the four proposed systems. Analysis of the proposals is going on. They are securing prices for subsidiary equipment and investigating the possibility of changing melting processes. Mr. Tamer asked whether the proposed deadline would remain the same. Mr. Ellsworth said they are still working toward a September, 1968, solution. Mr. Zapata indicated he would be glad to go over the plans. Mr. Ray asked whether this would jeopardize the Board's position since we have not allowed our Engineer to assume this function. Mr. Dodson said that he believed in the past the Board has refrained from offering advice. It was moved by Mr. Ray, seconded by Mr. Tamer, that the Board correspond with Centrifuse, with a copy

to Mayor Murningham, thanking them for their attendance and indicating we are pleased that they are making progress but pointing out that they are behind a month in their schedule. Further, the Board requests that they present a firm proposal of the system selected and the company chosen at the September 27, 1967, meeting.

Motion carried.

Mr. Pesterfield reported that his visits to Davison Chemical indicate the company is behind in its agreement. He was unable to contact the General Manager and asks that we hold this in abeyance until September.

A complaint has been received regarding Melling Forging parking lot. Mr. Pesterfield indicated his investigation shows that part of the lot has already been treated with chloride and the company has promised to complete the job. Mr. Pesterfield believes much of the problem lies with trucking just outside the lot. He recommends holding in abeyance pending completion of the chloridation.

Mr. Pesterfield presented copies of the new State Air Pollution regulations. He requested that Board Members study them with a view toward adoption of these limits by the City of Lansing.

The next meeting will be held September 27, 1967, at 7:30 p.m., in Room G-30, City Hall. It was moved by Mr. Tamer, seconded by Mrs. Bock, that the meeting be adjourned.

So ordered.

The meeting adjourned at 8:40 p.m.

Respectfully submitted,
ROY F. DODSON,
Temporary Chairman,
NORMA DONOVAN,
Secretary.

N/M

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, September 27, 1967

The regular meeting of the Air Pollution Board was held September 27, 1967, at 7:30 p.m., Room G-30, City Hall.

Present: Board members Bock, Dodson, Kloeckner, Ray, Ruth, Tableman and Zapata—7.

Absent: Board member Tamer—1.

Guests: Doug Pearson, Thornton Collins, Edward Ellsworth and John Kaiser, Centrifuse, Inc.

The meeting was called to order by the Chairman. The secretary announced the presence of a quorum. It was moved by Mr. Dodson, seconded by Mr. Kloeckner, that minutes of the August meeting be approved as circulated.

Motion carried.

Mr. Pesterfield reported that he had made several visits to Davison Chemical. There has been no progress. He recommends that the Board request Davison to appear at our next meeting for discussion of the situation. It was moved by Mr. Kloeckner, seconded by Mr. Ruth, that the Board concur in the recommendation of the engineer.

Motion carried.

Mr. Pesterfield reported that the Michigan Department of Health has informed him that Fisher Body still does not have a solution to its problem. There has been a suggestion that Lansing adopt Los Angeles' solution. The engineer does not feel this is practical since Los Angeles has a smog problem; for Lansing this remains a nuisance problem. Mr. Pesterfield asked permission to attend a seminar on solvents in New York on October 23 and 24 which he feels may shed some light on new developments in the field which will relate to Fisher Body. It was moved by Mr. Ray,

seconded by Mr. Dodson, that the engineer be given permission to attend.

Motion carried.

The engineer recommends that the Melling Forging complaint be closed. It was moved by Mrs. Bock, seconded by Mr. Kloeckner, that the complaint be closed.

Motion carried.

Mr. Ellsworth indicated that Centrifuse has learned that the proposed changes to their plant will not have to be made at the time of a change over as they had previously thought. They have been evaluating supplier proposals. They have not yet made a decision, however, since two companies have submitted revised proposals within the past two weeks. Mr. Ray asked what progress has been made in the last sixty days. They have been visiting existing installations. They have been waiting for steel supplier and installation bids. They have installed an additional after burner and a new wet cap on present stack in an attempt to keep the problem to a minimum. There was a general discussion. Mr. Tableman indicated that the Board would appreciate receiving another progress report next month.

The engineer investigated the complaint regarding Paramount Coffee. It had originated with someone who objected to the odor of roasting coffee. Mr. Pesterfield does not find the establishment in violation. It was moved by Mr. Dodson, seconded by Mr. Kloeckner, that the complaint be dismissed for lack of grounds.

Motion carried.

Mr. Pesterfield reported that the City and Township Fire Marshals met regarding burning at the Paulson Street Dump. Mr. Pesterfield requested, through Mr. Collins, that police check the situation since the gate is locked at night. Mr. Collins indicated that the locks have been changed and

security police have the dump under surveillance. The County Health Department has been notified and is checking the situation. It was moved by Mr. Ray, seconded by Mrs. Bock, that the complaint be closed.

Motion carried.

The next meeting will be held October 25, 1967, at 7:30 p.m., in Room G-30, City Hall.

It was moved by Mr. Ruth that the meeting be adjourned. So ordered. The meeting was adjourned at 8:25 p.m.

Respectfully submitted,

AIR POLLUTION BOARD,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

OFFICIAL PROCEEDINGS OF THE HOUSING COMMISSION OF THE CITY OF LANSING

Special Meeting, July 27, 1967

A Special Meeting of the Housing Commission was called by President Oliver for the purpose of consideration and approval of a proposed resolution.

Notice of said meeting was delivered to the Commissioners as follows:

"There will be a Special Meeting of the Housing Commission at 8:30 a.m., July 27, 1967, 5th floor, City Hall, to consider approval of a resolution authorizing the execution of a Contract of Sale."

The meeting was called to order by President Oliver at 8:40 a.m.

ROLL CALL

Present: Commissioners Oliver, Owen, Patterson—3.

Absent: Commissioners Clapp, Blackall—2.

The following resolution was introduced:

RESOLUTION NO. 80

WHEREAS, the Lansing Housing Commission has entered into an Annual Contributions Contract with the United States Government for Project MICH. 58-7, and

WHEREAS, said Commission has entered into a letter of intent to purchase Project MICH. 58-7 from the Bert L. Smokler Company,

THEREFORE, BE IT RESOLVED that the President of said Commission is hereby authorized to execute a Contract of Sale for this Commission for the above mentioned project with the Bert L. Smokler Company.

Following discussion, it was moved by Commissioner Owen, supported by Commissioner Patterson that the above resolution be approved; and upon roll call, the Ayes and Nays were as follows:

Ayes: Commissioners Oliver, Owen, Patterson—3.

Nays: None.

The President thereupon declared the motion carried, and the resolution adopted.

The meeting was adjourned.

Respectfully submitted,

MARCEL B. ELLIOTT,
Secretary.

called his office stating that she had received her letter from the Board. Further that she did not have a complaint against the Municipal Court or the City Attorney, that her complaint was with the Police Department.

Chief Husby stated that he felt he could resolve the complaint by issuing a directive to the effect that in the future, there would be only three categories used in the designation of race, those being: Caucasian, Negro, and Oriental.

The Chief stated he was asking the advice and direction of the Board regarding this complaint.

Considerable discussion followed concerning the actual necessity of designating the particular race on a traffic ticket.

It was the general consensus of opinion of the board members, that the matter had been resolved at the last Board meeting.

Motion by Comm. Guyselman—

"We feel this is a matter that should be taken up with the Municipal Court, since the Court is the one who made up the ticket, and that we do not feel we have the ability to instruct the Municipal Court, or that we have the ability to instruct the Chief of Police in this matter. That our position remains the same as was voted upon at our last meeting, and I encourage you, Chief, to arrange for a meeting between the Municipal Court, the City Attorney, and this Commission.

Supported by Comm. McConnell.

Carried unanimously.

There being no further business, the meeting was adjourned.

Respectfully submitted,
YVONNE BROWN,
Secretary of the Board.

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, October 25, 1967

The regular meeting of the Air Pollution Board was held Wednesday evening, October 25, 1967, at 7:30 p.m., in Room G-30, City Hall.

Present: Board Members Bock, Dodson, Kloeckner, Ray, Tamer and Tableman—6.

Absent: Board Members Ruth and Zapata—2.

Guests: Mr. Swift, Dave Dodson, Mr. D. Shuster, Motor Wheel, and Mrs. Shuster; Messrs. Erdman, Alkire and Reynolds, Davison Chemical.

The meeting was called to order by the Chairman. The secretary announced the presence of a quorum. It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that minutes of the September meeting be approved as printed.

Motion carried.

Mr. Shuster reported that Centrifuse has received revised quotations from three suppliers and the fourth is due November 8.

They are evaluating the proposals. They have continued to make inspections of similar installations and have consulted the Michigan Department of Health. They are working toward having a final answer by the November meeting. Mr. Tableman asked that they make a progress report at the next meeting.

Mr. Erdman, the new Manager at Davison Chemical, reported that they completed their spring run and shut the plant down on June 10. Equipment has been installed and in operation during the run which ended October 19. Their supplier is evaluating test equipment data in order to recommend necessary changes in and additions to existing equipment to complete the job. Mr. Pesterfield complimented the company on their unloading procedures. Company reports indicated they have made piping changes and revised unloading procedures to accomplish this. There was a general discussion. They expect to be in operation again about the middle of December. They want the problem eliminated as soon as possible since it constitutes an economic gain for them. They will keep the Board posted on progress.

Mr. Pesterfield reported that the possibility of a law suit against Fisher Body has brought a re-evaluation by plant officials. They are presently working on 40 ft. extensions to all stacks in an attempt to disperse the effluent over a wider area. They have also called in paint companies and requested that research be stepped up on a water base paint.

Mr. Pesterfield reported that the party responsible for the problem at the Paulson Street dump has been located and burning stopped. He recommends that we close this complaint. It was moved by Mr. Kloeckner, seconded by Mr. Dodson, that the Board concur in the recommendation of the engineer.

Motion carried.

Granger Construction received permission to continue their sanitary land fill operation but the road they used caused a dust problem. Mr. Pesterfield received a complaint and when he called it to the company's attention, they made arrangements to have the road chlorided. He recommends closing this complaint. It was moved by Mr. Dodson, seconded by Mr. Tamer, that the Board concur in the recommendation of the engineer.

Motion carried.

Mr. Pesterfield has received a complaint regarding the Michigan Liquor Control Commission. Since it concerns their incinerator, he will investigate with Mr. Albers. He recommends that we hold this complaint in abeyance temporarily. It was moved by Mr. Tamer, seconded by Mr. Kloeckner, that the Board concur in the recommendation of the engineer.

Motion carried.

There was a discussion regarding incorporating state regulations as part of our ordinance. Mr. Tableman appointed Mr. Ray and Mr. Dodson as a Sub-committee to investigate the necessary procedures.

The next meeting will be held Wednesday evening, November 29, 1967, at 7:30 p.m., in Room G-30, City Hall. It was moved by Mr. Kloeckner that the meeting be adjourned. So ordered.

The meeting adjourned at 8:45 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

Received and placed on file.

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, November 29, 1967

The regular meeting of the Air Pollution Board was held November 29, 1967, at 7:30 p.m., in Room G-80, City Hall.

Present: 2 Board Members Bock, Dodson, Kloeckner, Ray, Ruth, Tableman, Tamer and Zapata—8.

Guests: Mr. Ellsworth, Centrifuse, Inc., and Mr. Swift.

The meeting was called to order by Chairman Tableman. The Secretary announced the presence of a quorum. It was moved by Mr. Tamer, seconded by Mr. Kloeckner, that minutes of the October meeting be approved as printed.

Motion carried.

The first order of business was Centrifuse, Inc., and Mr. Ellsworth reported that they have quotations on four types of high energy wet scrubbers. Because of the high cost of these units, they are obtaining quotations on bag type equipment. There is no water pollution problem with the bag equipment and both original cost and cost of operation is less. They are also investigating a change to electric melting. There was a discussion. It was moved by Mr. Tamer, seconded by Mr. Dodson, that Centrifuse, Inc., be requested to make another progress report at our December meeting.

Motion carried.

Mr. Pesterfield reported that he had several contacts with Davision Chemical

since the last meeting. Their equipment supplier is being less than cooperative. Mr. Pesterfield asked the Board to remind the supplier that they have an obligation. The Board directed Mr. Pesterfield to make the necessary contacts.

The problem at the Liquor Control Commission has been referred to the Fire Marshal and Mr. Pesterfield has had no further information.

Mr. Ray reported that the Committee on Legislation Implementation had met with Mr. Collins to determine procedure and had been advised to submit the Board's recommendations to him. He will take them to the City Attorney for formalization and then to the City Council for action. The Committee will continue to work on the problem.

The next meeting will be held December 27, 1967, at 7:30 p.m., in Room G-80, City Hall.

It was moved by Mr. Ruth that the meeting be adjourned.

So ordered.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.

City Clerk be and she is hereby authorized to draw orders on the City Treasurer for the amount allowed each claimant, in the amount of \$69,613.96.

JOHN T. ANAS,
ROGER T. MAY,
LOUIS F. ADADO,
LUCILE BELEN.

Adopted by the following vote:

Unanimously.

Floyd Decker spoke.

Council adjourned at 8:45 P.M.

THEO FULTON,
City Clerk.

January 8, 1968.

OFFICIAL PROCEEDINGS OF THE AIR POLLUTION CONTROL BOARD OF THE CITY OF LANSING

Proceedings, December 27, 1967

The regular meeting of the Air Pollution Board was held December 27, 1967, at 7:30 p.m., in Room G-30, City Hall.

Present: Board Members Ray, Ruth, Tableman, Tamer and Zapata—5.

Absent: Board Members Dodson and Kloeckner—2.

Guests: Mr. Swift; Mr. Ellsworth, Centrifuse, Inc.

The meeting was called to order by Chairman Tableman. The secretary announced the presence of a quorum. It was moved by Mr. Tamer, seconded by Mrs. Bock, that minutes of the November meeting be approved as printed.

Motion carried.

Mr. Ellsworth reported that Centrifuse, Inc., has learned that the Board of Water and Light will be unable to furnish power for electric melting furnaces for two or three years so this solution no longer seems feasible. They are obtaining quotations on bag house and wet collectors. Quotations will be complete within two weeks and they expect to be able to announce a decision at the January meeting.

Mr. Pesterfield reported that he had difficulty contacting the supplier for Davison Chemical equipment and when he did he was told that the preliminary tests were unsatisfactory. A much larger settling tank will have to be installed. The supplier

asked for time and Mr. Pesterfield reminded them that they had asked for time before. They assured him they were working on the problem. Mr. Pesterfield recommends that we continue the complaint. It was moved by Mr. Ruth, seconded by Mr. Zapata, that the Board concur in the recommendation of the engineer.

Motion carried.

Mr. Pesterfield reported another complaint regarding the Paulson Street dump or the adjoining township dump. He has scheduled a meeting with responsible officials next week to find a solution to this burning problem.

The next meeting will be held January 31, 1967, at 7:30 p.m., in Room G-30, City Hall.

It was moved by Mr. Ruth, seconded by Mrs. Bock, that the meeting be adjourned.

So ordered.

The meeting adjourned at 8:10 p.m.

Respectfully submitted,

MARVIN TABLEMAN,
Chairman,

NORMA DONOVAN,
Secretary.
